Principal's Report

School Camps

Camps are a wonderful opportunity to implement a wide range of curriculum learning outcomes in outdoor education and for students to experience and develop both socially and personally. We are always amazed at the responsible attitudes students show whilst away and the importance of the relationships they build with students, teachers and other adults. Most importantly is how their own self-esteem develops as they become aware of their own capabilities and skills. Last week the Grade 3/4 students attended camp at the Phillip Island Adventure Resort in Cowes. The Grade 5/6 students attended camp at the Phillip Island Coastal Discovery Camp at Smiths Beach. By all reports, the students and staff had a fun time. We are glad to have them back at school and have enjoyed listening to many expressive recounts of their adventures.

Lunchtime Clubs

It is satisfying to be able to provide students with a range of lunchtime options that cater to their interests and needs. This term the lunchtime club program is offering students daily activities such as Book Club, Drums, Recorder, Board Games, Gardening and Lego. Again, I would like to thank the staff who give up their lunchbreaks to provide quality experiences for our students.

Summer Sports Gala Day

In Term 1, as part of our P.E. program, students in Grades 5 and 6 competed in matches against other schools, in preparation for this upcoming gala day. This is the students' opportunity to progress to the division level. Students will be competing in a range of sports. A detailed notice was sent home to participating families.

Cyber Safety Information Sessions

We would like to invite the parents of our Grade 4, 5 and 6 students, to attend a 30-minute presentation (with the students) on how to use Instagram safety next Monday April 30th 3-3:30pm in the Grade 5/6 room. An additional evening session for all interested parents has been organised as well for next Monday April 30th 6-6:30pm in the library (in main building on Argus St). No children will attend this presentation. Catherine Russo will facilitate the sessions. As a school community, we are taking a proactive approach to support students and their parents to manage a variety of social media messaging and imagery. We look forward to seeing you attend one or both sessions.

School Council

The casual one-year vacancy has been filled. We would like to thank Christina Johns for volunteering her time and energy to support school governance in 2018. The next school council meeting is next Tuesday May 1st at 6pm.

Sporting Schools Program - IAAF Athletics Programs

In the coming weeks the IAAF Athletics program will run at Le Page. We have specialist athletics teachers coming to support our students in preparing for track and field activities, which will further develop their skills to participate in a variety of interschool sports events and our athletics house sports.

Shade Sails

On Wednesday a new shade sail was erected, replacing the worn and torn sail over the play equipment area at the lower northeast end of the yard.

Kingston Green Village and Eastwood Residential Care Hostel – Building Community Relationships

Friday May 4th between 2-3pm Kingston Green residents will run an electives program for the students and then stay for afternoon tea and assembly. Bob Harper will facilitate Fun with Maths. Erica Harper and Jenny Martin will manage Birds in Your Backyard. Claudia Martin has prepared a fascinating presentation about Antarctica titled Seals, Penguins & Snow. Judy Taylor and Lei Thomson will facilitate Carpet Bowls. On Wednesday May 9th, the Grades 2-6 students will visit the residents at the Eastwood Residential Care Hostel to perform a number of songs. On Thursday May 17th, the Grades 2-6 students will visit Kingston Green to perform.
