The 7 Habits of Highly Effective People

Every teacher has been trained to demonstrate the Habits and to develop them in the children. (Covey)
The Leader in Me process is the framework used for developing common proactive language, a positive mindset and happy students.

Leadership Notebooks

Every child works with teachers to: set personal goals; develop achievement plans; monitor progress; reflect on and celebrate success. Student led conferences provide students the opportunity to articulate how they set goals, make plans, monitor progress and get results.
