# footsteps

Footsteps is continuing each Wednesday until 24<sup>th</sup> June. It is important that all Students get the opportunity to be involved. Dance and Movement is part of the Australian Arts Curriculum. Our Footsteps Instructors, are well aware of the need to engage Students (not always only the boys!) who don't think that dance and movement is "cool". We are working towards a presentation early in the evening on **Wednesday, 24<sup>th</sup> June.**

## LUNCH ORDERS

We would love to hear some feedback about the use and this APP. Please let us know if you still require a hard copy of the Newsletter. If you would like further information, please see Heather in the office.

## STUDENT BANKING - Banking day is Tuesday.

**OUTER SPACE SAVERS**

### School Banking is shooting for the stars.

At the beginning of 2015, the School Banking program launched students on a mission to save by making regular deposits into their Youthsaver account. In just one term, over 958,000 School Banking deposits were made around Australia. It's a fantastic result that's seen thousands of Australian children begin their savings mission.

**Rewarding good savings behaviour with two new items**

To help keep students on track with their savings mission in Term 2, we've released two new awesome reward items from our Outer Space Savers range. Students just need to make 10 School Banking deposits to be able to redeem a reward item.

**Invisible Ink Martian Pen**

**Intergalactic Rocket**

**You could win a 5 nights' family trip to California's Disneyland**

Don't forget, students who consistently display stellar savings behaviour by making 25 or more School Banking deposits in 2015 will automatically go into the draw at the end of the year to win a family trip to California's Disneyland.
