Garry's Gabble

Rugby Clinics

Another Sporting Program operating here with the benefit of a Sporting Schools Grant (your taxes at work!) for four weeks is Rugby. Chris is the Coach and he takes the younger and older students separately for warm-ups and skill-related drills between recess and lunch on Thursdays.

Jorji's off and running. Chris is setting up the next drill – "You're running that way". Organised chaos, we think, but they're having a lot of fun whilst puffing and panting.

Anzac Badges

Thanks to those who were able to purchase badges in the last couple of weeks. We raised \$31.50. A great effort!

Have a good week. Garry

LE PAGE SCHOOL APP

Don't forget to check your tiqbiz app for the latest newsletter and notices.

It can be used to communicate with us if your child or children are going to be away from school etc. We will be able to communicate to you if for any reason there is an emergency, excursion buses are late back to school etc. and inform you of notices that have been issued.

If you would like further information, please see Heather when she's back in the office. Garry cannot be trusted with such things.

STUDENT BANKING –

During my (Heather's) absence from school, there will be **NO STUDENT BANKING** until the week beginning 8th. May.

I am very sorry for the inconvenience this may cause.

Thank you for supporting the School Banking program at Le Page Primary School.

Heather Gillott
