Cinderella

We're still "basking" in the success of last Thursday's presentation. It was another example of what Le Page does best. Students excel when given the right levels of guidance and support from committed Staff. All our Students certainly did a magnificent job and I thank the many Parents who have taken the time to comment upon how much they enjoyed the production. Pics on the website. I'm in the process of putting the DVD recording of the show together and those who wish copies can contact the Office.

Open Morning & Morning Tea – next Wednesday, 2nd December.

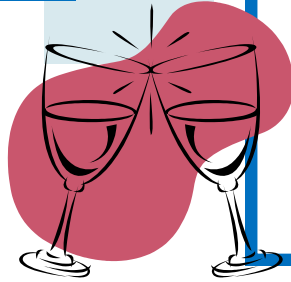

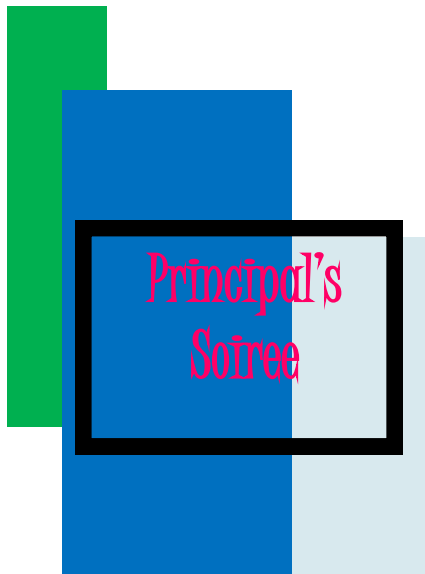

Another initiative stemming from School Council discussions aimed at promoting that the School remains open, workable and supportive of children's needs. All are welcome, although we have particularly focused this towards Pre-School and Child Care Centre Staff from the surrounding area and Parents who have still not made decisions about schooling for their children in 2016 and 2017.

Choir/Instrumental Concert

Apart from occasional assemblies and class presentations, our Instrumental Students working with Srebranka Casaceli have had few opportunities to share their talents more widely this year. Though our Choir performed wonderfully during "Cinderella", we have a much broader repertoire to share for your enjoyment. This Concert is open to all who wish to be entertained for about an hour on Friday of next week (4th December) from 7.00 pm – not just the Parents and Friends of the performers. No charge. Just bring your smiles and applause.

Working Bee

Thanks to Stuart Cowden (organiser) and other Parents who were able to make the time last Saturday to do additional maintenance/painting tasks around the School. Visitors to the School are already noting and commenting positively on the changes to the main building.
