Garry's Gabble

Hockey – Big Kids

Our senior students were also given the opportunity to participate in a Hockey Clinic last Thursday. F-2s had their go last Monday and so were able to make the Newsletter deadline for last Thursday.

Instrumental Music

A reminder to any who may be interested that Srebrenka Casaceli is still teaching Guitar, Keyboard, Drums and Vocals here each Wednesday should you wish your child to take up this opportunity in group or individual lessons. More details and an enrolment form was enclosed in the envelope send home yesterday. Should you be considering violin as an instrumental option for your child, lessons are held here on Wednesday after school with Jack Harris from Masters International. Jack can be contacted on 0416 504 431.

Assemblies

We have decided to go fortnightly on “whole school” assemblies. These will be held from about 3.15 pm in the Great Space of our classroom building on alternate Fridays. There’s one tomorrow – Friday, 19th.

Technology

More specifically scheduled this year and part of the day fortnightly with Beth Murphy on Mondays, our students are being given the opportunity to participate in technology activities, exploring constructions, use of different materials, levers, strengths and weaknesses, etc. On Monday this week students tried to create bridges using clay and cardboard. As you’d expect, some worked better than others. With Lynda and myself this term all classes are working on topics related to Marine Life and conservation and in art the students have been using clay to make models of fish and sea creatures.

Have a great weekend!

Garry

INTERSCHOOL SPORT

Good luck to our 5/6 students who will be playing Volley Stars against Southmoor tomorrow morning. We look forward to their story on this and last week’s match against Cheltenham East at tomorrow afternoon’s assembly.

LE PAGE SCHOOL APP

Don’t forget to check your tiqbiz app for the latest newsletter and notices.

It can be used to communicate with us if your child or children are going to be away from school etc. We will be able to communicate to you if for any reason there is an emergency, excursion buses are late back to school etc. and inform you of notices that have been issued.

If you would like further information, please see Heather in the office.

STUDENT BANKING –

School Banking Day Reminder

Don’t forget that **TUESDAY** is School Banking day and students should bring in their weekly deposit.

For every deposit made at school, no matter how big or small, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

Thank you for supporting the School Banking program at Le Page Primary School.

PARENTS & FRIENDS' CLUB NEWS

We may only have very small numbers here at Le Page but we are still in full swing. We just need all families to be involved with the P & F this year. Not a lot of hard work, just a lot of social activities that will involve some fundraising and lots of fun for the children.

Our first meeting for the year was held last Monday. Watch this space for further details regarding this year's fundraising calendar.

FAMILY CONTACT LIST

Lynda, Beth, Heather and I are beginning to settle into a bit of a routine in our very small School. The positive relationships between Staff and students and the care and friendliness between the different ages of the students continue to be a feature of Le Page Primary School.

A suggestion arose the other morning that it may be an advantage with the small number of families we have for a contact list of names and numbers to be developed so that Parents may assist one another or be able to contact one another readily should the need arise. This is something a small School should be able to achieve more effectively than a large one. The Parents and Friends or a School Council member may need to contact you regarding fund raising or working bees, or there may be a need for occasional child care if you're called in to work unexpectedly.

You would be aware that confidentiality prevents us using the School's enrolment records for such purposes and so your specific permission is required for us to compile and distribute such a list amongst School families only.

If you agree to your details being included on such a list, please complete the slip below and return it to the school readily.

Thanks for your understanding and assistance,

Garry

Response slip:
