PRINCIPAL'S REPORT

There is a prosperous path for every child.
Each journey is theirs to lead. There is a place, in which every child can shine.

Our Mission

Identify the talent, develop the confidence and create the leader.

Our Habits

Be Proactive: I am in charge.
Begin with the End in Mind: Have a plan.
Put First Things First: Work first then play.
Think Win-Win: Everyone can win.
Synergise: Together is better.
Sharpen the Saw: Balance feels best.

Our Attitude

Gratitude: Be thankful for what we have.
Empathy: Practice random acts of kindness.
Mindfulness: Keep in the present moment.

ANZAC Day

Last week we shared the significance of ANZAC Day with the students. The students and staff also got busy baking ANZAC biscuits. It was a tasty outcome!

Cross Country Run

On Tuesday, our Grade 3-6 students participated in the Parktone Cross Country Run. It was a challenging experience but at the same time satisfying, running up to four kilometres. As always, our students were well-behaved and positive role models. Congratulations to Antosia C who has made it through to represent Le Page at the District Cross Country Competition. Well done Antosia

Social Event for Parents

On Thursday May 18th from 7pm, parents will be catching up with each other at 2 Brothers Brewery in Moorabbin. This is an enjoyable annual social event. The word is that the pizza is delicious and the atmosphere is relaxed. More details below.

NAPLAN

Next week Australian schools will conduct the NAPLAN. Our Grade 3 and 5 students will participate.

New Enrolments

This week two students enrolled into our senior school class. It is always a pleasure to extend a welcome to new students, and to nurture them into our culture.

Mother's Day

Next Thursday, a Mother's Day stall will be set up for the students to purchase a small gift for their mums or significant others. Days such as these are always happy-sad, for most have their mothers in their lives but some do not. Our Parents and Friends team and staff always practice a sensitive and positive approach to celebrations such as these. We will send home a stall notice with purchasing details.

2016 Annual Report

At the last School Council meeting, we presented the 2016 Annual School Report. Copies are available through the office.

Italian Tip

This week's focus was Mi piace (I like). The students spoke and wrote about their likes, e.g. Mi piace la pasta!

School Council

Next Friday evening May 12th, we will conduct a School Council training session at Le Page (7-9pm). The invitation is open to School Councillors at Le Page and Parktone, and interested parents in general. The next School Council meetings will be on May 30th beginning at 5pm in the staffroom.

Thought for the Week

Let your gratitude send off so much positive energy, that it shifts the vibrations in the room.

Kind Regards,

George Danson

Before and After School Child Minding

It has been a wonderful week at the Le Page Before and After School Minding Program. The students have loved having milo in the morning for breakfast, enjoyed listening to music, doing free-range drawing and playing connect four.

Next week the children who attend the program will be involved in a special art and craft activity, creating and decorating Mother's Day bags.

Some information about the Le Page Before and After School Minding Program:

Before School Program operates from 7:30am to 8:45am. A healthy nutritious breakfast consisting of cereal, toast, milo and fruit is offered to the students.

After School Program operates from 3:30pm to 6:00pm. Afternoon snack offered to the students includes fruit, crackers and water.

We also offer a variety of activities throughout the sessions, e.g. drawing, art and craft, board games, sport activities and outside play.

Please remember to enter through the double doors at the back in the BER Building and to sign in for both sessions.

Thank you for your support. *Giancarlo Siclari*
