

PARENTS & FRIENDS' CLUB (P & F)

The Parents and Friends' Club is a great way to meet new people and form new friendships. It is also a great way of becoming involved in the school, to learn about school activities and the plans for now and the future.

The Parents and Friends' Club is open to all parents of children attending the school. Currently the P&F meets at the school every month. Date and time of meeting is always advertised in the school newsletter. As well as planning fundraising activities, the meetings focus on issues related directly at improving the environment and welfare of the students at LPPS. They are regularly attended by the Principal who provides information and an opportunity to provide feedback for ongoing projects and needs.

Some of the objectives of the Parents and Friends' Club are to -

- improve the educational facilities and school environment.
- provide social interaction and information exchange for parents.
- offer activities for the students to enhance their school experience.
- promote fundraising (together with the School Council) and provide resources to support varied school projects

Each year the P&F provide a Mothers' and Fathers' Day stalls for the children to purchase a gift for their parents or special someone. In addition to other annual drives and raffles we organize special lunches, footy walkathon and school disco. We have also organised Night Craft Markets and Carboot Carnivals. The children look forward to the end of year festive activity that is arranged for them.

There is an annual membership fee of \$2.00, for that, every member receives a copy of the minutes of our Meetings. We appreciate people's lives are very busy and may not be able to attend every meeting, but would love your assistance with all our fundraising and social events. There are lots of things that can be done at home to help prepare for our events.

If you would like to discuss any aspects of Parents & Friends' Club please contact Helga Drpic (President).

**It would be wonderful to have you all on board in 2015
We look forward to all the new ideas.**

Hope to see many of you this year.
