Principal's Report

Our Vision

There is a prosperous path for every child.

Each journey is theirs to lead. There is a place, in which every child can shine.

Our Mission

Identify the talent, develop the confidence and create the leader.

Our Habits

Be Proactive (I'm in charge)

Begin with the End in Mind (have a plan)

Put First Things First (work first then play)

Think Win-Win (everyone can win)

Seek First to Understand Then to Be Understood (listen before you talk)

Synergise (together is better)

Sharpen the Saw (balance feels best)

Our Attitude

Gratitude: Be thankful for what we have.

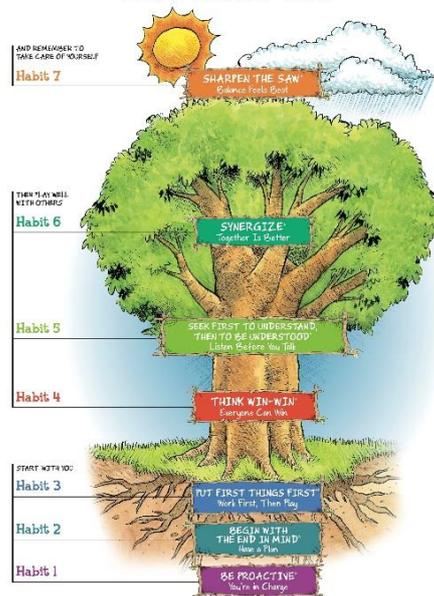

Empathy: Practice random acts of kindness.

Mindfulness: Keep in the present moment.

Principal's Report

Annual Implementation Plan Progress Update

This year our number one goal is to improve student-learning outcomes in Reading. The strategy we have chosen is the implementation of an instructional model that meets the needs of all students. Every Monday after school, our teachers meet with Parktone Primary Professional Learning Teams, to share their weekly curriculum lesson plans with each other. Every Tuesday after school, the staff participate in professional learning here at Le Page. Teaching Reading is the focus. The teachers are now planning for and implementing the new Reading instructional model. Classroom observations have already revealed students becoming more engaged during all elements of the lessons. For example, when observing the junior class, Foundation students were demonstrating their newly acquired semantic, syntactic and phonetic understandings to read with enthusiasm and confidence. Every Wednesday after school the School Improvement team meet to review the school's progress towards the AIP goal targets and to reflect on the whole-school strategy. Our Literacy Coach Dani Odri has purchased new resources to improve the quality of teaching and learning in Reading and Writing. The kit comprises big books, guided reading and reciprocal teaching books, planning and assessment frameworks, and learning activities targeting each student's level. The teachers and students are learning how to apply new tools such as Frayer and Anchor charts, which is scaffolding the learning like never before.

Pizza Lunch

Today Le Page reintroduced the special lunch day. Pizza was on the menu and will be twice a term. We managed to raise \$120. This year and in 2019, all fundraising activities will support the school in purchasing teaching screens for the classrooms. Each screen costs \$3000 to install. Our goal is to equip all four classrooms by the end of next year.

Curriculum (Student Free) Day June 15th

Friday week the teachers will meet with Parktone Professional Learning Teams, to plan the curriculum programs for term 3. They will then return to Le Page in the afternoon to plan Reading lessons for our new Le Page Reading instructional model. Students will not attend school on this day.

End of Term 2 Concert Performance June 24th 5-7pm

On the last Sunday before the school term holidays, our music teacher Jack Harris facilitates an end-of-term concert in the Le Page hall. Le Page students in the afterschool orchestra and the singing clubs will perform in a joint venture with the Australian Children's Orchestra and Chorus. All students participating in Jack's afterschool groups and the students in grades 2-6 will perform. Families are asked to bring a supper plate to share. Adult tickets are \$10 and payable at the door. Children are free. Funds raised will go towards funding more instruments for Le Page music classes. A note will be sent home to confirm the students' attendance on the night.

Habit 1: Be Proactive

Gratitude: Be thankful for what we have. **Empathy:** Practice random acts of kindness. **Mindfulness:** Keep in the present moment. This week the staff have continued to focus on proactive thinking. Reflecting on G.E.M. can change the way we think and feel. As we feel gratitude, practice empathy and remain mindful, we actually nurture ourselves: we positively influence others and increase our capacity to create win-win outcomes. G.E.M. fosters a sense of peace and happiness, regardless of our circumstances.

Student Reports and Student Led Conferences

The staff will write the students' reports in the last two weeks of this term. In week one of term three, the reports will be sent home and Student Led Conferences will be scheduled for week two.

On Leave

Beginning Monday June 18th I will be on leave for two weeks. Jarrod Bradley will be acting principal and supported by local principals should the need arise. Heather Gillott, our business manager will be available as always, should there be a need to discuss resources, notices or finances.

Thought for the Week "Life is 10% what happens to us and 90% how we react to it" Dennis P. Kimbro
