POLICY

1. School profile

Established in 1995, Le Page is an attractive school on a vast property comprising green fields, adventure playgrounds and ball courts. Adjacent to the school is a football oval, netball courts and parkland. Located in Argus Street, Le Page is the hub of extra-curricular and sporting activities in Cheltenham. Weeknights and weekends are a buzz with several associations coming together for sporting competitions. Our school grounds and facilities are open for local residents to enjoy out of school hours. The hall hosts martial arts, yoga and other community group activities, whilst the music room provides a base for our local and talented orchestra. The evening Spanish program

caters for students of Spanish Nationals. The Born to Soar Gifted and Talented program attracts students from across the South Eastern suburbs.

2. School values, philosophy and vision

Leadership is the umbrella term to encompass the many character traits and basic life competencies that parents, business leaders, and educators are voicing as the desired skills necessary to thrive in the 21st century. Leadership is a concept we don't normally consider when thinking of young children. However, young children are very capable of learning leadership skills and using them at home and at school. By developing well-rounded children who know their strengths, we help them to unleash their potential to lead their own lives and to influence others.

Through the use of the 7 Habits, students begin to realise that they have control over much of what happens in their lives and can be true leaders. Their choices can affect their day, their relationships, and their future. The 7 Habits empowers even young students to stop and think about their choices and the different outcomes that may come with those choices. Based on timeless principles, the 7 Habits become the "hands-on" tools students can rely on while on their journey to becoming leaders – of themselves and of others.

There is a prosperous path for every child. Each journey is theirs to lead. There is a place, in which every child can shine.

Identify the talent, develop the confidence, and create the leader
